Scout Elf Arrival Letter

Print · write over {name} · cut or fold · leave beside your elf

Hello from the North Pole!

I've arrived to spend the holiday season with {name}. Each night I'll fly home to tell Santa about the kindness I see — and each morning I'll find a new spot to surprise you.

Look, but please don't touch (it tickles my magic!).

Love,
Your Christmas Scout Elf

Tip: print on cream paper for a North Pole look. Personal use only.

How to use

1) Print this page. 2) Write your child's name over {name}. 3) Place with your scout elf on arrival morning. 4) Try one of the 5 quick ideas on page 2 tonight.
